

APPLICATION AVIATION SPECIALIST

PROGRAM YEAR 7 2021

Greenwood College runs a widely recognised and highly successful Specialist Aviation program. Students with enthusiasm and a passion for aviation are able to build on and develop skills in leadership, teamwork, and vocational training.

The Greenwood College Aviation Program has a long history of engaging students in the theory and practical aspects of aviation. Students have the opportunity to study aviation theory and build model aircraft. An additional opportunity open to students is to experience flight in helicopters and advanced fixed wing aircraft.

Academic Testing is conducted for entry into the program.

- Successful applicants will be required to participate fully in the program.
- There is a requirement that students who enter the Aviation Specialist Program will commit to the program until the end of Year 10. Out of area enrolments will need to enrol in their local intake school should they withdraw from the program.
- As a condition of continued enrolment at Greenwood College, the school requires students to achieve to a set standard the Aviation Specialist Program and maintain an attitude consistent with maximum participation in Aviation and all other studies for the four years they are in the program.

Applicants should provide evidence in their application of the following criteria:

- Genuine enthusiasm and interest in aviation.
- Satisfactory academic performance.
- High level of ability in mathematics.

Selection process 2021:

1. Registration for Aviation Testing required by Thursday 12th June 2020.
2. Aviation Testing at Greenwood College: Monday 22nd June, 9.00am.
3. Applications submitted and received by 3.00pm Friday 3rd July 2020.
4. Applicants notified as soon as the process is completed.
5. Successful applicants will commence Monday 1st February 2021.

Applicants are requested to include a copy of their Semester 2, 2019 school report, a passport size photo, details of why they are interested in joining the program and any aviation experience.
