

Amazing Greenwood College Ambassadors to China Tour 2017

Following our successful Greenwood College study tour in 2015 we are now calling on Greenwood College students interested in travelling to China **Sept12- Sept 29 2017**.

We will be visiting the **famous landmarks** of China and visiting our **sister school** in Zhejiang Province.

It truly is an amazing country and a unique experience. The tour enables our students to learn beyond the text book and classroom. **The opportunity to interact with the students and teachers from Jinling High School is an unforgettable opportunity** and not available to most travellers to China.

See our itinerary for details (available from the front office on request). **The approximate cost is \$3300 per student and represents fantastic value.** This cost will be payable by instalments and may be lower depending on our fund raising efforts.

A second **information evening** will be held featuring a slide show of our proposed 2017 tour including highlights from our 2015 tour.

Please fill in your details below and return the slip to student reception. Details of our second information evening will follow.

Terry Dunn Deputy Principal (IEC), Pam Armstrong Head of HASS,

Rebecca Gawthorpe Tour Manager

Please return the slip to: Mr Dunn (IEC) or Student Reception
