Greenwood College Calendar for Term 2/3
All dates are subject to change, please contact front office or teacher for confirmation

TERM 2/3

Fri 1 July  LAST DAY OF COLLEGE
Wed 20 July  FIRST DAY BACK TO COLLEGE
Thur 21 July  Yr 11/12 Chem Quiz
Fri 22 July  Yr 12 Science Excursion
Mon 25 July Yr 10 Photography Excursion
Mon 1 Aug  Yr 10 Photography Excursion
Wed 3 Aug  Yr 9 Science Excursion
Fri 5 Aug  COLLEGE TOUR 9.30am
Mon 8 Aug  Yr 11 Photography Excursion
Wed 10 Aug  Music Winter Concert
Fri 12 Aug  Whole School Assembly
            Yr 10 River Cruise

Selfie!

Picture taken by Mogens Johansen in the West Australian Newspaper pages 4/5 on Wednesday 15 June:
The Hon. Prime Minister Mr Malcolm Turnbull MP taking a selfie along with Greenwood College VET
Co-ordinator Mr Greg Bowdell to the left, the Hon. Ms Julie Bishop MP, Mr Luke Simpkins MP along with three
of our Year 12 students; Tarrant Mills, Godfrey Kenyi and Carys Hunter with Mrs Lucy Turnbull at a
Youth Employment Forum. For more information, please read on inside.
Principal’s Message

“By teaching you will learn, by learning you will teach”. Latin Proverb

Exam Time
Second term is disappearing at a rapid rate of knots and it’s been a challenging term with many activities on the go. It is a major assessment Term with NAPLAN, EST assessments for the first time, Year 10, Year11 and Year12 exams. The staff have been under enormous pressure to complete all the marking and reporting in time for the Parent Report Evening this week. They have done a sterling job. I would encourage parents to take advantage of the Reporting Evening by coming and meeting the staff, whether or not you are happy with the report.

Subject Selections
We are about to launch into the Year 10 Counselling program and I would strongly encourage all Year 10 parents to become involved with the process as this is a critical decision making time which will impact on the next two years of school commitments. The students need to “choose for success” and be led by their heart and head. Invariably students will be more successful in a course that they have some passionate sentiment towards. We do want this to be a smooth and informed process and the range of information is huge so please ask a staff member if you are unsure. Mr Greg Bowdell will coordinate the process. In addition to his VET skills at Greenwood College, he also proved a dab hand at championing our college and Year 12 VET students at the highest level, during the recent visit to W.A. by the Hon. Mr Malcolm Turnbull PM. The Prime Minister shook hands with our students, listened to their ambitions and then took a selfie with them (see front cover and overleaf).

Improvements
The college is continuing on a program of improvement with the benches in the science rooms, the gardens and the netball courts being the latest improvements. The science benches have been resurfaced with a lacquer which is durable and long lasting. The gardens are continuing to improve with an overhaul of reticulation and plants; and finally the netball courts are being resurfaced with an acrylic surface that will make the courts particularly pleasant to play on and with less injuries.

P&C
Thanks to the P&C for your ongoing support you’ve given the college. The parents have given back to the college through seven approved funding grants over the Term for applications received from staff. These funds go to improving provisions within the learning areas. These parents work tirelessly on sausage sizzles around the college or at Bunnings. Their steely determination, efforts and unwavering support are very much appreciated by the staff and students of the school.

Board
Our local member for Kingsley The Hon. Ms Andrea Mitchell MLA, was recently appointed to the front bench of State Parliament as Minister of Mental Health; Child Protection Services, has had to withdraw from the College Board. I would like to recognise and thank Andrea for her commitment to the Board and the College in general. She has given the college a donation and these monies, along with funds from the P&C will be used to purchase a drone for our specialist Aeronautic Program.

Farewell
We have two wonderful ladies leaving our College at the end of this term. I would like to personally thank both ladies for their commitment to our school and students. Mrs Jones (pictured left) has worked tirelessly in the office for the past 14 years and is going to enjoy a well earned retirement. Mrs Shipham (pictured right) has been with the school as resident Chaplain since January 2013 and we wish her all the best with her continued studies.

Reunion
The College Alumni has sprung into action with a very successful breakfast attended by approximately 100 past students. This was catered for by our current hospitality students and a very joyful morning was had by all. Mrs Nicole Newman (our current First Aid Officer) coordinated the activities for the Alumni and was well supported by many staff. Many of our ex-Greenwood students have gone on to pursue amazing careers—one of note is Ms Ashlee Harrison winning the prestigious WA Youth Award for 2016.

Greenwood Anniversary
Planning is well in motion for the celebration of our 40th birthday in September and I would encourage you to be on the lookout for the activities that will be highly advertised. The main celebration will occur on 16 September from 1:30pm onwards to approximately 6.00pm. Save that date in your diary.

Holidays
I would like to wish all students, parents and staff all the best for the remainder of term and a safe and restful holiday.

PUNCTUALITY
Greenwood College recognises that punctuality and regular attendance at school is a major factor affecting student academic success and building positive habits for their future. The College therefore adopts a zero tolerance approach to unexplained absences and lateness to school. Students who are late to school without an acceptable reason provided by parent note, phone call (9243 9200) or SMS (0407 087 450) to the school will be placed into lunch detention. Late students MUST report to the relevant Deputy Principal or Student Services Manager to explain their lateness and receive a lunch detention notice. Teachers will not allow late students into class without a formal late note.

Mr D Mayes—Deputy principal
Vocational Education Training

It was a normal Monday — students to sort, parent night to organise … until I got the call from Luke Simpkins, our local Federal MP. Can I please organise to come to an election launch with the Prime Minister regarding youth unemployment and apprenticeship programs? Everything had to be dropped to choose students to take and organise permission for them to attend. Three Year 12 VET students were selected; Carys Hunter, Tarrant Mills and Godfrey Kenyi.

The next morning we arrived at Canham Way to a throng of media and security and realised that we were the only school invited. The forum was extremely small and we were given front row seats right next to the PM. The Hon. Prime Minister Mr Malcolm Turnbull made us feel at ease and welcome as he shook my hand and Godfrey’s, commenting that it was great to see us there.

Carys, Tarrant and Godfrey spoke very well when asked questions by the Prime Minister. The PM was particularly taken by Godfrey and his desire to become a lawyer. At the end of the forum the Prime Minister again acknowledged the good work done by Greenwood College and schools in general.

It was, all in all, one of the highlights of my teaching career and I am sure that for Carys, Tarrant and Godfrey, a memory that they will keep for a long time.

The photo below was taken by Mogen Johansen and published in the West Australian on Wednesday 15 June. In the front of the photo is Mr Bowdell (VET Co-ord), The Hon. Mr Malcolm Turnbull MP, The Hon. Ms Julie Bishop MP, Mr Luke Simpkins MP, students Tarrant Mills, Godfrey Kenyi, Carys Hunter and Mrs Lucy Turnbull.

Star Students

Reikki Newman (Yr 11) is travelling to the Gold Coast on 6 July to compete in the Aussie Gold International Cheer & Dance Championships as part of the Starz Elite Level 5 All Girl Team from Star Mites Gym Sport. They are competing in the Open World’s Bid Division. If successful they will travel to America in 2017 to compete over there. Good luck Reikki!

Taonga—Manaakitanga Manuel (Yr 7) competed in the Australian Judo Nationals in Melbourne from 9—15 June. Taonga came home with an amazing silver medal in the u/44kg Senior Women’s Judo. Well done Taonga! On a separate note, her older sister Darcina Manuel, who came to Greenwood College has just been selected to represent NZ in the Rio Olympics for u/57kg Senior Women. We will be cheering and watching closely. Clearly a talented Judo family.
Year 11 Formal
Each year, social events are much anticipated and looked forward to by students and staff. The Year 10s will have their night in Term 3 and the Year 12s had their Ball earlier in the year.

The Year 11s held their Formal on Thursday June 16 (pictures below). Ms Hollis and her Year Representative Committee went for something a bit different this year. They booked the Crystal Swan which is essentially a floating glass cube boat on the Swan. It is a Formal after all, so all the students (and staff) made a big effort to get dressed up for the evening and they had a fantastic time cruising the Swan River for three hours. It was simply a wonderful night. The students were terrific and their mindset was to enjoy the night as best they could.

Thanks must go to Ms Hollis for being innovative and organising a memorable evening for her year group and staff who supported it well.

Zero2hero
Greenwood College was one of many participating schools involved in promoting awareness with depression, anxiety, bullying, youth suicide and other mental health related issues. Zero2hero day took place on Friday June 24. It was such a well-supported day - started off by a zero2hero whole school assembly led by our wonderful Student Councillors who collaborated with each other to present a seamless multi-media presentation highlighting what Youth Mental Health First Aid is all about. Plus the fun part of the day was seeing the very high number of students and staff wearing free/fancy dress (see pictures right). Greenwood College raised close to $1000 for the zero2hero foundation. Appreciation and thanks must go to our students. They were simply sensational.

A standout moment for many was the powerful and confronting talk from guest speaker Alicia Kays. Her story was unforgettable and compelling. Greenwood College will once again be a zero2hero school in 2017.

Ashlee Harrison (pictured left), ex-student and great supporter of Greenwood College and founder of zero2hero, has done it again.

Recently, Ashlee was awarded the Western Australian of the Year Award 2016 - Youth Category Winner. The Youth Award is proudly sponsored by BHP Billiton and recognises excellence in commitment to citizenship, mentoring, leadership and artistic pursuits resulting in a positive impact on the lives of others at a state, national or international level. Congratulations Ashlee!
Attendance Competition

Drum roll ……………………………..The semester 1 Attendance Competition was won by the Year 7s with an attendance percentage of 93.89% which was a whisker in front of the Year 8s with 93.83%. After a whole semester, for both year groups to be that close is just fantastic. Third place was taken by the Year 9s with 92.05%. Well done to the students and to the respective Year Coordinators, Ms Gale, Mr Bassanelli and Mr Filidei. Perhaps there will be a sausage sizzle as a reward.

Online behaviour

Student Services continues to have issues with students who behave inappropriately online. The number of students behaving in this manner is small but damaging. It is a frustrating situation that leads to hurt, distress, humiliation, angst and depression. For the most part, this type of behaviour occurs off school grounds and outside of school hours. Student Services is compelled to intervene when the involved students attend this school. What we have learnt so far this year is that the Year 7 female students are highly represented in the number of online incidents. Greenwood College has been successful in receiving a $4000 grant to address “e” behaviours. The challenge now is to work out how best to use these funds.

What makes a great school????

I recently googled “what makes a great school?” only because I was curious about what that question actually means. There was plenty of literature to read but nothing that really had an impact on me. After 26 years as a teacher, you would think I instinctively knew the answer. Well I do and I don’t. I know Greenwood College is a great school because the students make it great. Of course staff have an integral role in making this school great as does the curriculum and the physical environment. But, it is the kids who have the most effect on the tone, personality, reputation and culture of this school. We now have close to 1100 students here who wear appropriate uniform, behave impeccably, do their best each day, have fun, enjoy their days here and go home only to do it again the next day.

Sometimes as educators we forget that. Parents and carers do as well. We have great students here and that is the main reason Greenwood College is a great school.

Enjoy the holidays!

General email—(please address it to the appropriate staff member)
There is a season for everything and a time for everything. At the beginning of 2013 it was my season to embark on the wonderful journey of being a Chaplain at Greenwood College. I have seen the school grow and change in the past four years and I have become really passionate about this school and the community that it represents. It is with this in mind that it is now my season to step away and allow someone else to fulfil this role in this wonderful school.

The things that I will take with me are the following:

- In this school I feel like it is one big family and the students are welcoming, inclusive and proud to be a part of this school. It is a school that has really made its mark in the community and has grown from a population of just under 600 to over a 1,000 in my time here. This is testimony to the staff, students and parents who have made it what it is today.

- This school embraces individuality and allows a number of different pathways for students to fulfil their dream. They are always brainstorming and looking at different ways that will make a difference. Our Drama, Dance, Cheer, Aviation, VET programs, Volleyball/Sport, Hospitality and Music are all ways in which this is demonstrated.

- Success is encouraged and celebrated; each Year Co-ordinator really makes an effort to get to know their students holistically and really do care about the kids in their year group. The events that each year group undertakes is always personal, fun and with a lot of thought. I have shared many a happy evening with our students celebrating with their peers.

- Pastoral care is of a high standard and is taken very seriously in this school. I have been incredibly privileged to have worked with highly professional people in Student Services who care and want to make a difference.

- Our Student Councillors are hardworking and committed to their role and I have learnt a lot from the model that this school uses. This is part and parcel of how assemblies are run and enhances the positive, inclusive culture of this school. There are a number of things that happen behind the scenes to make this possible.

- Our teaching staff and leadership are of a high standard and I know that they all go the extra mile ensuring that they have done everything in their power to ensure your child’s success.

I wish you all well for the rest of 2016 and I am sure that I will be back to visit as this school becomes a part of you and although you may say farewell it is never totally goodbye.

I am sure that you will welcome my replacement Ms Susan Earle, an experienced Chaplain and she will be part of this school community in no time.
Congratulations! **Students of the Week**

Each student receives a $25 Coles/Myer voucher kindly donated by the P&C Committee and Certificate... Well done everyone!

Well done to Stanley Whyte (Year 9) for outstanding effort and improvement in English.

Imee Ybanez (Year 12) for an exemplary report for her Work Place Learning placement.

**Mary Mack Award Winner**

The 2016 Mary Mack Award winner is Year 11 student Dominick McColl. Dominick was presented with his prestigious award from Mary Mack’s son Mr Gary Mack along with $170 for his continued perseverance and application to his studies in English. Unfailingly engaged, cheerful and enthusiastic, Dominick has impressed all of English with his work ethic and determination to make progress.

Well done Dominick!
Despite it officially being “Winter” we have seen many calm, fine days providing excellent flying opportunities. This has meant the weekly flying has continued unhampered by weather so far, so fingers crossed that this continues.

Both Year 7 classes have had their initial flight days at Jandakot. These were both a huge success. The students were very well behaved. Thank you to the Royal Aero Club of WA for their smooth operations on the day. All students will be receiving a Certificate marking their first flights.

Students in years 8, 9, 10, 11 & 12 will be flying during the weekly flying time slot.

Safe flying

A big congratulation to Abbey Tyler for achieving inclusion into the 2016 META Exhibition held at North Metropolitan TAFE. The META Exhibition received a record number of entries this year, of a very high standard. Selection was difficult, but the work from Abbey Tyler ultimately stood out from other entries according to event organisers. We hope that staff, students, families and friends can attend the opening on Tuesday 26 July 2016, at 6pm.

You can also visit the show on 27 July - 13 August 2016 during our regular opening hours. The location is - Gallery Central at 12 Aberdeen Street, Northbridge. Well done again to Abbey Tyler for this great achievement and please support her with your best wishes.
On Friday 17 June, 120 members of the Music Department departed Greenwood College for the first of its performances that make up the Annual Primary School Tour either side of the Annual Music Camp. Having loaded the school trailer with enough equipment for four rock bands, one 35-member vocal ensemble and one 55-member concert band, we gave our first hour-long concert performance at Hawker Park Primary School. Wolfing down a quick lunch, we moved onto a similar performance at Dalmain Primary School before making our way down to Munster and Woodman Point Recreation Camp.

All staff and students worked very hard, loading and unloading the trailer at each venue, performing and representing the College as part of the Music Departments annual public relations push, advertising the College throughout the schools in the surrounding community. After a hard day’s work, we sat down to a nice hot dinner before the evening quiz night, supper and lights out. Waking in time to make it to the dining hall for breakfast at 7.30am, the students then spent the day in a multitude of different activities, including the concert band, vocal ensemble, and rock bands rehearsals, rock climbing, sport and art activities.

Saturdays evening’s activities were a little more sedate, taking into account the students efforts in the Cube’s rock climbing facilities, consisting of a lazy evening in our sleeping bags watching a movie on the big screen and eating popcorn before a hot milo and lights out. Sunday continued the ensemble rehearsal routine with each ensemble improving in leaps and bounds with each day. We were blessed with Principal Johnston’s presence in the afternoon, taking the hour-long trip to join us, literally. At the risk of embarrassing my boss just slightly, I will say that he has a fine voice and was very warmly welcomed within the ranks of the Baritone section of the vocal ensemble before coming to see the concert band and rock bands in action. That evening saw the students in celebration mode, finishing the last evening of camp with our usual disco night - lights flashing and music blaring while the students sang and danced their hearts out.

After such a busy weekend, the early wake-up at 5:30am was difficult for both staff and students, with all camp members required to clean the camp-site before heading to the dining hall. Our final hot breakfast proved much needed sustenance for the days schedule, with all hands needed to re-pack the trailer, get all 360 bags under the buses and head back to Perth to perform at two more primary schools. One might have thought that we’d be too exhausted to be any good on stage but I must say that I was extremely proud of our students. The teamwork on display at the final performances was something to behold, with an extra special mention required for our senior students, unloading and packing the trailer faster and more efficiently than I have seen in 10 years of these camps. Our performances at Greenwood and West Greenwood Primary Schools were of a standard that we can be very proud of. The response from the audience was very enthusiastic and we had a lot of fun showcasing the talent harnessed and developed through intense rehearsal during the weekend’s practice sessions.

It was wonderful to see the support from both students and ex-students with Michael Bennett-Hullin, Brendan Burnside, Lachlan Burnside, Matthew Neale, Aundrea Grant, and Abigail Pearsell coming along to assist. Both Greenwood College and Instrumental staff were well represented with myself, Mr D’Agostino, Mrs Burnside, Mr Frisina, Miss Ganzer, Mr Johnston, Mrs King, Mrs Pattison, Mr Swain, and Mr Walczak assisting. Even the Parent Music Committee got involved, with Mr and Mrs Pearsell attending in charge of First Aid, as well as a substantial number of them volunteering to cook breakfast for our students on Friday.

Finally a horde of them cooking sausages all day on Saturday the 18 June at Bunnings Balcatta to raise funds to help subsidise the event itself. They raised over $1500 in aid of the Music Department and it’s students. We are all very grateful for their support and gave a big cheer for them at the breakfast table when the results were announced. I would like to say a BIG thank you to all involved, both staff, students and parents. It is an extremely exhausting event to co-ordinate, but one that really is so very rewarding for all involved. We worked hard and we played hard. We enjoyed ourselves immensely.

I am grateful for your support and look forward to showing off the students and their talents at the coming Winter Concert on Wednesday the 10th of August at 7pm in the College gymnasium.

COMING EVENTS
- Parent Interview Evening Parent Music Committee Cake-stall & Sausage Sizzle – Wednesday 29 June at Greenwood College.
- Winter Concert – Wednesday 10 August at 7pm in the College Gymnasium.
- Music Dinner – Saturday 5 November at Gloucester Park.

At the Parent Interview Evening, the Parent Music Committee are seeking helpers to man the cake stall and sausage sizzle. Please contact the event co-ordinator Deborah King via emb all deborah.king2@education.wa.edu.au
Volleyball Vibe

Term 2 has been a flat-out term with volleyball tournaments, lightning carnivals, morning trainings and AVSC training! Our players have grown tremendously and their development is a result of hard work and extra hours on the volleyball courts.

VWA Junior League – Term 2 Results

Through Balcatta Volleyball Club, three Greenwood College volleyball teams competed on Friday nights from 6 May to 17 June in Volleyball Western Australia’s Term 2 Junior League. The Greenwood Gladiators teams performed well and our athletes improved on a weekly basis! Well done to the following teams for competing:

School Sport WA Juniors Champion Schools Tournament

On Wednesday 8 June, Greenwood College sent over 150 volleyball athletes in Year 7-9 and ten Year 11-12 coaches to compete at the State Basketball Centre and State Netball Centre in a tournament against schools from all over the Perth Metro. Greenwood College earned two championships and a number of high finishes! Our Greenwood Gladiators had the following results:

Girls A Gold
Girls 9.1 – 1st Place
Girls 9.2 – 4th Place

Girls B Gold
Girls 8.1 – 1st Place
Girls 8.2 – 2nd Place
Girls 8.3 – 5th Place
Girls 8.4 – 6th Place
Girls 8.5 – 7th Place

Girls A Black
Girls 7.1 – 3rd Place
Girls 7.2 – 5th Place

Girls B Black
Girls 7.3 – 4th Place
Girls 7.4 – 3rd Place

Boys A Gold
Boys 9.1 – 3rd Place
Boys 9.2 – 5th Place

Boys B Gold
Boys 8.1 – 2nd Place
Boys 8.2 – 4th Place

Boys A Black
Boys 7.1 – 4th Place
Boys 7.2 – 5th Place

Boys B Black
Boys 7.3 – 4th Place
Greenwood Student Finalists

Once again students from Greenwood College have been selected from over 140 other school entrants as finalists in the City of Joondalup’s Capture Nature Photography Competition 2016.

The photo competition invited residents and students aged 12-18 years within the City of Joondalup to submit photographs exploring their local natural environment to celebrate World Environment Day.

This year’s finalist were Nicholas Fantini, Taylor Ludemann and Caitlin Clancy with Nicholas picking up fourth place overall. Well done to Nicholas who took home $150 and a prize pack, as well as Taylor and Caitlin on their fantastic achievement.

2016 Australian Volleyball Schools Cup

Our AVSC Teams have been training hard this term and our coaches have reported a great amount of improvement due to the high work ethic of our athletes! If any athlete is interested in joining the AVSC Melbourne teams for training sessions, please contact Ms. Ayers for training session days and times.

AVSC Fundraising

On 28 May, our AVSC players and parents held a food and bake sale during morning, afternoon and evening at the all-day competition at Joondalup Indoor Beach Centre. We earned a profit of $863.22, shared between parents/players involved in running the fundraiser. The group even received a shout-out in the VolleyVoice – VWA’s monthly newsletter that circulates to thousands of recipients across the entire state of Western Australia! A very job well done to those involved and thank you to Bec Bradnam and Jacqui Sawle for leading the day.

Current fundraisers include Chocolate Box Sales and 2016 Perth Entertainment Book Sales (20% of proceeds go directly to our AVSC athletes!). Please contact Sarah.Smith3@education.wa.edu.au if interested in purchasing. Olivia Bolt is selling fabulous skin care products through Skincerity, where each bottle purchased provides a player with $20.00 towards their AVSC Tour. Please contact oliviabolt@iinet.net.au if interested in purchasing.

Anyone wishing to become involved with the committee or donating to the program please email Angie.Ayers@education.wa.edu.au.

Term 3 Morning Trainings

Term 3 Morning Trainings will commence Thursday 21 July. With WA Volleyball State Championships occurring during Term 3, it is very important that students use the morning trainings to develop as we do not have as many in-class opportunities during the term. Most of our Year 7-10 students are practicing a variety of different positions so I encourage attendance in any/all areas that they would like to improve in. Top student attendees also earn House Points for participating! Schedule is as follows:

<table>
<thead>
<tr>
<th>MORNING TRAINING TERM 3</th>

Thank you for your support! GO GLADIATORS!!
Greenwood College took over the airwaves in Week 4 when four Year 10 Media students were given the opportunity to host their very own radio broadcast on 89.7 Twin Cities FM. Leon Teav, Kaleb Harding, Tarek Salih and Jamie Smith gave Hamish and Andy a run for their money when they presented their belated Mother’s Day special broadcast at the ECU based radio station.

The students used the broadcast to thank their mothers for all the hard work they do and the care they show their children. Leon and Kaleb gave the mums listening two movie reviews and rated them based on the film’s ‘mum fun’, or how much a mother would enjoy the film, whilst Jamie and Tarek provided a comprehensive lesson on how to talk like a teenager.

All four boys really enjoyed the opportunity to see a real-world Media institution in action and can’t wait to have the opportunity to be let loose on air again in Term three.

Music Raffle Winners

The Greenwood College Parent Music Committee is holding a 10 week Progressive Draw Raffle. Each week there is 2 x $50 Meat vouchers from Shanks Butcher Greenwood and 1 x Mystery Prize drawn.

We have had some excited lucky winners over the last 5 weeks with 10 x $50 meat vouchers and 5 x Mystery Prizes (trays of Chicken Schnitzels) drawn so far.

There is 5 draws to go in the current raffle and yes your one tickets remains in each and every draw from the 11/05/2016 until the final draw on 13/07/2016.

The draws are conducted Wednesdays at 10am outside Shanks Butcher at the Greenwood Village Shopping Centre. If you would like to head on down and your winning ticket is drawn you can pick-up your prize on the spot (vouchers do not have to be used up in one transaction).

Ours winners so far have been:

**Greenwood Rocks 89.7fm**

- **Week 1** – 11th May 2016
  - 1st Prize ($50 meat voucher) Ticket no: 40 – Nicole Greenstone
  - 2nd Prize ($50 meat voucher) Ticket no: 16 – Sarah Smith
  - 3rd Prize (Mystery Prize) Ticket no: 64 – David Martin

- **Week 2** – 18th May 2016
  - 1st Prize ($50 meat voucher) Ticket no: 8 – Sharon Mason
  - 2nd Prize ($50 meat voucher) Ticket no: 31 – Rae Mazone
  - 3rd Prize (Mystery Prize) Ticket no: 12 – Jackie Boardman

- **Week 3** – 25th May 2016
  - 1st Prize ($50 meat voucher) Ticket no: 26 – Rebecca Fox
  - 2nd Prize ($50 meat voucher) Ticket no: 2 – Jolana Pearce
  - 3rd Prize (Mystery Prize) Ticket no: 20 – Jan Sweating

- **Week 4** – 1st June 2016
  - 1st Prize ($50 meat voucher) Ticket no: 51 – Julie Ward

  - 1st Prize ($50 meat voucher) Ticket no: 6 – Deb King
  - 2nd Prize ($50 meat voucher) Ticket no: 12 – Jackie Boardman
  - 3rd Prize (Mystery Prize) Ticket no: 36 – Vesna Peou
Greenwood College students are fortunate to have free access to yourtutor, an online, on-demand homework help service provided by ECU. All students have been supplied a card containing their individual login details. Please contact Mr Heasman or Mrs Smith in the front office if a replacement is needed.

Help is available in Mathematics, English and Science between 3pm – 10pm every day except Saturday. The service is live meaning that students have immediate access to an online tutor. All tutors are Australian teachers or university experts. Access via http://yourtutor.com.au/ with a Your Tutor card.

**Maths Tuition**

Extra Maths tuition is given free of charge by our Maths Department, open to all students in all year groups every Monday after school until 4pm.

**Homework Hut**

Every Tuesday after school, the school library is open until 4pm. This provides all students with an additional opportunity to use the library resources or to simply come along and complete homework or private study with help at hand.

---

**Cancer Council Biggest Morning Tea**

On Thursday 26 May, Greenwood College staff and students enjoyed an amazing morning tea to raise funds for this cause close to everyone’s heart. Staff all rallied around this fabulous cause and showcased their baking skills along with a large amount of snacks provided by the Home Economics students and the Certificate II Hospitality students and Home Economics staff.

We were also very fortunate to have the support of Coles Greenwood and we would like to thank them for their contribution to our morning tea.

As an added extra to our morning tea, the Certificate II students also ran a cupcake stall and added their takings to the donations, collecting a grand total of $804.10 which was donated to the Cancer Council.

Did you know?? 1 in 2 Australian men and 1 in 3 Australian women will be diagnosed with cancer by the age of 85. Cancer costs more than $4.5 billion in direct health system costs. So every dollar helps to bring awareness, diagnosis, treatment and research in trying to beat this horrible disease.
Depression
Depression often goes undiagnosed in adolescents but with the right treatment, it can be managed very well. Young people may feel depressed for all sorts of reasons and their moods may vary, from feeling a bit blue to feeling overwhelming sadness and hopelessness. Some may even feel suicidal.

As a parent, it is important to remember that stresses that sound minor to adults may be very important to teenagers and should be taken seriously.

Depression may be triggered by a major stressful event, such as a death or broken relationship. Sometimes, however, it may have no obvious cause. Although it is often difficult to communicate with someone who is feeling low, it is important not to ignore a young person’s feelings. Knowing that family and friends care and are willing to give support can be the first vital step to getting better.

If at any time you are worried about your mental health or the mental health of a loved one, call Lifeline 13 11 14.

For more information on depression, go to www.headspace.org.au or www.beyondblueyouth.com, or contact your local Community Health Nurse or the School Psychologist.

Adolescent support services - Where to go for help?
Kids Helpline is a free, private and confidential telephone and online counselling service specifically for young people aged between 5 and 25 years. You can phone the helpline anytime on 1800 55 1800 or visit the website at www.kidshelp.com.au.

Somazone is a safe space for young people to ask questions, share stories and get help for mental health issues, sexual health, relationships, abuse, body image, and drug use. Visit the website at www.somazone.com.au.

You can also talk through any problems you may be having with your local Community Health Nurse, or the Psychologist, located at the school. Remember, no matter how big or small your problem is, there is help available and it is important to seek help as soon as possible.
This Year 9 students spent a wonderful day at Hillary’s marina and Whitfords Dog Beach capturing images for their photographic course. With sunny weather forecast the students spent the day exploring the precinct through the eye of the camera viewfinder and the results were amazing. Many differing camera techniques were practiced with the beautiful backdrop of this iconic location and students all voiced their appreciation for having the opportunity to spend the day honing their photographic skills.

A great day had by all!
The Intensive English Centre is approaching another graduation on Thursday 30 June 2016. Of 51 students we currently have attending, 36 students will stay on at Greenwood and enter mainstream classes. The students are looking forward to starting next term in the mainstream and have been busy with preparations to continue their studies there. The students are also excited about attending the Ten Pin Bowling excursion to farewell their classmates as some of them will move to other schools closer to home.

Students from 3.1, 3.2 and 3.3 recently enjoyed an excursion to Caversham Wildlife Park (see photos below). It was a great language learning experience and an opportunity to see our Australian animals up close. They also enjoyed the Australian Farm show where they could see sheep dogs working at rounding up sheep and a stockman cracking a stock whip as part of the show. The students enjoyed this small slice of rural life in a farming community and were able to use the experience to improve their report writing skills.

We wish all IEC students who are leaving Greenwood College at the end of this Term a fond farewell and hope they will continue their studies successfully and keep in touch with us as their learning journey continues. To all our continuing students we have enjoyed your presence in the IEC and also wish you every success as you enter the mainstream in Semester Two.

China Sister School Visit
I have recently received advice from Changxing Jinling Senior High School in Zhejiang China that they will visit Greenwood College next semester. We are looking forward to hosting our friends from Jinling and have fond memories of the China Tour in 2015 when 11 Greenwood students and 12 staff and community members visited their school. Stay posted for more information regarding our visitors itinerary whilst visiting Greenwood will be available soon.

Hello everyone, this is Luisa and Andrea, here with the Intensive English Centre Report!

This term has to be one of the most exciting for the IEC. The 4’s classes will have their graduation ceremony in week 10 Wednesday. It will be held on 30 July. One student from each of the graduating classes will be selected to speak at the ceremony to talk about their country, its typical food and culture, and to talk about their own experiences and changes in their life in coming to Australia.

Some students will also be lucky enough to receive an award for their hard work in different subjects.

In the ceremony there will be also a musical performance by a student who will play the violin. After the graduation has finished, students have been invited to go on an excursion in the bowling for the rest of the day.

Next semester, many students after graduating from the IEC will come to join mainstream classes. We would love it if you could make them feel welcome as they join their new classes and make new friends.

We would like to say ‘good luck’ to everyone in the IEC. Keep working hard right up to the holidays.
As Term one comes to close so does the completion of the first Semester in secondary school for all our Year 7s.

This term, students have had the opportunity to attend many extracurricular excursions. Last Monday 13 June, Year 7 Aviation students had the chance to fly at Jandakot Airport. A fun day had by all, special thank you to Aviation teacher Mike Hill for organising this.

Back in May, the Year 7 and 8 Dance students went to see “Beauty and the Beast” performed by the WA Ballet at His Majesty’s Theatre.

Our music students embarked on their annual camp, Mr Salmon taking with him some of our most musically talented Year 7s.

The Volleyball excursion was held Wednesday on 8 June. Below is a photo of some of our Year 7 girls.

We had our fifth annual Zero2hero day on Friday 24 June. Students on this day dressed up in free or appropriate fancy dress with a gold coin donation. All proceeds will go directly to Zero2hero to address the mental health issues of local young people.

All students were given their reports home last week. As done previously, the interviews online website will be open to parents to book parent teacher interviews. Interviews will be held Wednesday 29 June from 4:30pm – 7:30pm. If you would like to discuss the general progress of your son / daughter you may also book an interview with me.

Next term will bring with it the whole school athletics carnival, excursions, volleyball schools cup and more. I would like to wish everyone safe and happy holidays! Miss Gale
Hello students and parents,

We are back again to give you another report on the Year 8’s progress in 2016. The most recent event that we’ve had is our Lightning Carnival. We do not have all of the results but we can tell you that overall, Greenwood College did very well in Volleyball, Netball, Soccer, Basketball and Football. We all had great fun and thankyou to all of the teachers that helped out in organising this event for us. That day was definitely a day to remember for the Year 8s.

The next event was the SSWA Volleyball Tournament that most Volleyball students competed in. We had five girls teams compete and two boys teams. We are happy to say that the Year 8 girls Division one team placed overall 1st, bringing home a shield for Greenwood. Good on you girls! We can also applaud the Year 8 boys Division 1 team for placing overall 2nd in their pool. Good job to you boys! It was a very fun day and a big thankyou to Ms Ayres, Mr Woodard and all of the coaches that were involved in this amazing day. We are glad it went smoothly.

Our subject selections have been handed out and we have been asked to choose carefully. This is a very important situation because it involves your whole school plan for next year. We encourage that you choose subjects that you like and enjoy instead of the ones your friends are doing. We highly recommend that you hand them in ASAP because the earlier you get them in, the more likely you are to get your preferences.

Unfortunately we will not be here for Zero2hero day and the assembly because we are going to Kings Park. This is our HASS excursion and thankyou to Mrs Armstrong for organising it. We will miss out on free dress day, Zero2hero day and the assembly but at least we will have fun exploring the wonders of Kings Park. We hope that the assembly goes smoothly and hassle free for teachers, parents, staff and students.

Our Year 7—12 Music students enjoyed their weekend long Music camp at Woodman Point. A break from school for them is just what they need. They had heaps of fun and it was a time to remember. A big thank you to Mr Salmon and his support team for taking them out there, using personal time to do something nice for the Music students. Good on you Mr Salmon and helpers.

That is all from us for now but keep up your hard work and grades. Remember, just because we are in Week 10, doesn’t mean that we can start to get slack. Keep going to the end until the day of school is done. Have a great last couple of days and you will hear from us again later next term.

The term is slowly coming to a close and reports should be in your hands as we speak.

Major events have come and gone, such as the Year 9 Lightning Carnival. Students participated in sports such as Netball, Football, Volleyball, Soccer and Basketball, on the 9th of June. Everyone who attended did their best and tried their hardest, with everyone giving 110%. Everyone showed good team initiative and great sportsmanship.

The latest event in our calendar was the Music camp, held 17—20 June at Woodman Point. The Rock Bands, Concert band and Vocal Ensemble attended for a weekend to enhance their skills and just for a great experience with their friends. Along the way the Music students played at two schools, Hawker Park and Dalmain Primary school and on the way back they played at Greenwood Primary and West Greenwood Primary. Hopefully everyone won’t forget the great times they had on this trip.

Now for the good part, rewards! Since everyone has behaved extremely well this Term, a sausage sizzle will be held on Wednesday to reward everyone’s good behaviour. The Care Group of the Term will be lucky enough to receive a mystery prize that same day, so make sure you come to school and be on your best behaviour!

Another incentive for all students this term is the “End of Term Attendance Initiative”. All students who have an attendance of 92% or above will be entered in a draw to win a $50 voucher to a store or digital market of their choice. Students who are most improved in their attendance this term are also eligible for a voucher too.

We hope everyone has a great holiday. Stay safe and stay warm!

See you back at school on Wednesday 20 July...
Hello everyone—The stressful time is over as exams and EST’s for this Term have passed. You should be able to see your marks on Connect and we hope you are all pleased with your results. You still have a chance to improve your grades considerably at the end of the year in the Term three exams and EST’s.

In week five of this Term, we had the pleasure of organising a pizza lunch for the Year 12 students in the new Year 12 area behind Home Economics. We hope everyone enjoyed it and found the motivation to dedicate themselves to their study for exams.

There are 12 weeks of school left and we are at a critical time in our lives, when we have to focus on high achievements and figure out what we want to do in the next years and later in life.

Term 2 holidays are coming up fast as we dive into our last term of the year and of our schooling. We urge you to study hard and maintain the great behaviour.

With a lot of debating, we finally managed to get the Common Room back for the Year 12 students. We have now set up some new rules to ensure we keep the room clean and in place for the rest of the year. We have also arranged that both of us and the Year Representatives will monitor the room to enforce the rules.

Lastly we hope this term has been productive for you and that you will enjoy the upcoming holidays. Remember to study hard and work at the best of your abilities for the last term.
Year 11 Formal photos
Former Greenwood College student (approx. 10 years ago) and School Council Student Representative Ashlee Harrison has won the prestigious 2016 WA Youth Award. This Award recognises excellence in commitment to citizenship, mentoring, leadership and artistic pursuits resulting in a positive impact on the lives of others at a state, national or international level.

Ashlee is the Founder and CEO of mental health charity—Zero2hero Inc., and facilitates educational programs to ensure every young person is empowered to effectively deal with mental health issues. Ashlee leads a team of staff and volunteers to reach over 80,000 young West Australians every year.

Ashlee was recognised by the Australian Financial Review as one of Australia’s 100 Woman of Influence, awarded a Pride of Australia Medal in 2015, won the WA Youth Award for Education in 2013 and in the same year was also a Young Australian of the Year finalist. **Well done Ashlee, Congratulations!**
What a day! On the Friday of week 5, Mrs Tkachenko and Mr Norris’ Year 9 Outdoor Education classes set sail to Rottnest Island. On top a bike, fishing rod in one hand and grit and determination in the other we set off to conquer the seas by way of catching some fish.

After making land we set off from the jetty and after a short break (where some recuperated from certain motion sickness) we headed off to Salmon Bay. Legs pumping, lungs wheezing we came over a hill to be greeted by some of the most tranquil blue water we’d ever seen. Quick as flash, Mohzen became the archenemy of all aquatic life forever, ripping fish out faster than anyone else in the class, grand totaling at five fish! Another big contribution came from Riley Schofield with a giant haul of four fish. A couple of other honorable mentions went to Justin Green, Josh Wilkinson, Michael Ross and Minh Tran who all came out with multiple catches. Great work everyone.

With an eventual grand total of 23 fish including herring, silver brim, wrasse, you could name it and we’d catch it. It was at this point that we felt that we had truly conquered the sea. Knowing this, we retired to the settlement, where the kids and teachers soaked in the awesome view to the sounds of the sea.

What a ripper!
All four of Greenwood College’s houses are currently in quite a battle for the House Champion! During Term 2, students earned points in the following ways:

<table>
<thead>
<tr>
<th>Academic Excellence Award</th>
<th>Top Care Group Attendance – Term 2</th>
<th>Behavioural Merit Card</th>
<th>Homework Hut</th>
</tr>
</thead>
<tbody>
<tr>
<td>Top Student per Class – Term 2</td>
<td>Student of the Week</td>
<td>Maths Tuition</td>
<td></td>
</tr>
<tr>
<td>Academic Merit</td>
<td>Student Councillors</td>
<td>Volleyball Morning Training</td>
<td></td>
</tr>
<tr>
<td>Homework</td>
<td>Year Reps</td>
<td>Volleyball SSWA Seniors</td>
<td></td>
</tr>
<tr>
<td>Library – Oliver Review</td>
<td></td>
<td>Volleyball SSWA Juniors</td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td>Sport – Netball Team</td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td>Dance – Student Choreography Night</td>
<td></td>
</tr>
</tbody>
</table>

Each day the standings vary. Students are able to log-in to view their houses’ total points as well as their individual point earnings on all school computers as well as on the school’s website. Current standings are as follows:

<table>
<thead>
<tr>
<th>1st Place</th>
<th>2nd Place</th>
<th>3rd Place</th>
<th>4th Place</th>
</tr>
</thead>
<tbody>
<tr>
<td>Curtin</td>
<td>Forrest</td>
<td>Stirling</td>
<td>O’Connor</td>
</tr>
</tbody>
</table>

Current leaders of each house are as follows:

<table>
<thead>
<tr>
<th>Curtin</th>
<th>Forrest</th>
<th>O’Connor</th>
<th>Stirling</th>
</tr>
</thead>
<tbody>
<tr>
<td>Stacey Boardman – 23</td>
<td>Siobhan Mackrill – 27</td>
<td>Emily Harris - 19</td>
<td>Kailyn Smith – 25</td>
</tr>
<tr>
<td>Stefan Malinovic – 17</td>
<td>Antonio Gatani – 19</td>
<td>Summer Magrath – 16</td>
<td>Fayth Mayne - 17</td>
</tr>
<tr>
<td>Bhargav Jayani - 13</td>
<td>Taylah Smith – 19</td>
<td>Yongjiang (Leo) Shi - 15</td>
<td>Olivia Warren - 15</td>
</tr>
</tbody>
</table>

**Bronze/Silver/Gold Certificates**

Students have the opportunity to be awarded certificates throughout the year, honouring their achievements for earning points towards their House. Bronze Certificates are awarded to each student earning 25 points, Silver Certificates are awarded to each student earning 50 points and the all-powerful Gold Certificates are awarded to students who reach 100 points. Term 2 saw the following students awarded Bronze Certificates for their efforts. A job very well done and congratulations to the both of you!

<table>
<thead>
<tr>
<th>Forrest</th>
<th>Stirling</th>
</tr>
</thead>
<tbody>
<tr>
<td>Siobhan Mackrill</td>
<td>Kailyn Smith</td>
</tr>
</tbody>
</table>

Congratulations to all students who have earned House Points thus far. Each day is an opportunity to earn more points so continue to work hard for the 2016 House Championship!
The soccer season is well and truly in full swing here at Greenwood College. We are now almost at the end of the group stage of the competition. At the conclusion of this stage the winners of the group will host a home final while those finishing second will play another school in an away final. At this point in the competition, Greenwood ‘A’ are travelling along nicely and should finish in the top two. To date they have played four, won three and lost one to Balga 1-0 as the result of a penalty. Their most recent win was a 9-1 thrashing of Duncraig SHS with honourable mentions going to Moses Mayoum who also captained the team due to the absence of Jaz Richardson and Jean Paul Biggirama with three goals each, Austin Blayne with two and Ahmed Omer with one. The final group game for Greenwood ‘A’ was at home against Aranmore Catholic College was on Monday 20 June.

For their first season, Greenwood ‘B’ have been developing nicely. As with any new team to a competition wins have been hard to come by with a loss to Greenwood ‘A’ (5-1) however this was followed up by a close loss against Mercy ‘B’ (2-0). Unfortunately Emmanuel Nshimiyimana’s goal was disallowed due to off side however other members of the team including Alex Donev, Regie Gatimbiye, Hungwoo Jung, Sherwin Williams and Pouric Agout have been playing solidly and will no doubt be valuable players for the school in the near future. In their most recent fixture, Pouric scored a fantastic goal but unfortunately lost out narrowly to Balga SHS 3-1. Greenwood ‘B’ played Aranmore at home on Wednesday 22 June and Duncraig SHS the following week.
Over the April school holidays one of Greenwood’s HASS teachers – Mr Quinlan – fulfilled a lifelong dream by trekking to Mt Everest Base Camp in Nepal. The trip was organised through the Telethon Adventurers to raise much needed funds for the fight against childhood cancer. Mr Quinlan, along with four friends, trekked for 9 days through the Himalayas to reach Mt Everest Base Camp. While the distance covered was only 60 kilometres, they climbed over 3000 metres and had to endure the low oxygen levels and freezing temperatures that come with trekking at high altitudes. To make it more of a challenge, the group carried all their own gear which is unusual for treks of this kind. As a Geography teacher, Mr Quinlan was in his element and was constantly stopping to examine rocks, plants, Sherpa farms and yaks! He is now dreaming of a return journey, and is determined to climb one of the many peaks on his next trip!

If you would like to donate in support of this very worthy cause just follow this link: Premiermartialarts.everydayhero.com/au/premier-martial-arts

---

**Library News**

“Sink your teeth into a great book” is the theme for the West Australian Young Readers Book Award which has been running this term in the Library. Students are encouraged to read and vote on books selected by their peers and recommend books for next year’s list.

Our Oliver home page is now featuring reviews written by our students on books borrowed from our library. Students are asked to write a review to encourage others to read books read by their peers and receive points for their house group.

A bin to recycle your old batteries is available in the Library.

A donation box for non-perishable food to help the Salvation Army is also available in the Library.

---

**Music Magic**

**AVASTERA PERFORMANCE**

On Friday the 27 May, our student were treated to a Lunchtime Performance in the College Gymnasium by the Rock Band “Avastera”. This concert was kindly organised and provided by the Greenwood College Parent Music Committee as a reward for our Music students. Playing from 1:35-2:00pm, the band was well received with some students swaying and singing along to some of the songs that they knew. After some final announcements, the band handed out some free “Avastera” stickers and guitar picks, with many students rushing towards the stage, some screaming with enthusiasm. It was wonderful to see the interest from non-music students as well, with as many as 200 students and staff in attendance. Avastera have been touring through Brisbane, Sydney, Canberra, Melbourne and Adelaide earlier this year. We were blessed to have had the opportunity to invite them into our school and hope to invite them (amongst other groups) in the future.

Should you wish to get involved in the fundraising that enables these sorts of opportunities to be provided for our students, please contact Julian Pearsall (the Convenor of the Parent Music Committee) at julian@pearsall.co.uk to express your interest. You are also more than welcome to attend any future Committee meetings in the College Staff Room.

Avastera can be seen on their Facebook page at www.facebook.com/avasteramusic, their YouTube channel at www.youtube.com/user/avastera, as well as on their new website at www.avastera.com.
Yr 12 Photography Exhibition

This year the Year 12 Visual Arts Photography students continued the yearly Kingsway Shopping Centre Photo Exhibition with over 90 stunning images displayed for the public viewing in the open area just outside Big W. From the moment the class commenced setting up the displays, the interest from shoppers was instantaneous. With each student contributing up to four to five images of their finest work for the display the final product is again of the highest quality. The display runs from Monday 27 June until Saturday 2 of July for everyone to enjoy. Please support our school and visit the centre .....You won’t be disappointed!
