Dear Student

Thank you for your interest in studying in a Central's VET in Schools course for 2016. Please consult with your School VET Coordinator regarding which course is available and the application process for these courses.

Central VET in Schools Program

Central VET in Schools program is your gateway to Central's wide range of qualifications. Whether you want to pursue further VET studies, to broaden your career options or to go to university, Central Institute of Technology offers the options and support you need to get to where you want to be.

By completing a Central VET in Schools course, you will obtain a nationally recognised qualification. Our courses will provide you with the skills and knowledge to transition from school to employment and provide alternative pathways into further education. Central’s state-of-the-art facilities and hands-on teaching approach will enhance your learning experience and allow you to develop your skills and interests in a professional environment.

For more information on our courses and study areas, go to www.central.wa.edu.au.

Enrolment guarantee

As a Year 12 student who has successfully completed a course in Central VET in Schools programs, you are guaranteed* enrolment to one of Central’s courses for the following year.

*A merit selection process may apply to some courses.

Higher Education

Are you interested in studying Commerce and thinking of going to university? Check out Central's Diploma of Commerce, a one-year higher education course that, upon successful completion, guarantees you entry into the second year of Curtin University's internationally recognised Bachelor of Commerce.

You will benefit from smaller class sizes, easy access to your lecturers and a smooth transition into university. Just go to www.central.wa.edu.au and click on Types of Study > Higher Education to obtain more information on Central's Diploma of Commerce.

University pathways

Central’s Certificates IV and above qualifications provide you with a variety of pathway options to further studies at university, allowing you to articulate and receive credits with all universities in Western Australia.

To find out more about Central’s articulations with WA universities and other higher education providers, go to www.central.wa.edu.au and click on Future Students > Uni Pathways.

Career opportunities

Studying at Central means you will learn from industry experts and be provided with opportunities to form industry connections. Central’s lecturers are some of the most experienced professionals in their areas of expertise with a great understanding of industry needs.
Application process

To apply for a Central VET in Schools course, please see your school’s VET Coordinator for more information and complete a Central VET in Schools Student Application Form (2016SA1).

If you are enrolled in a Central VET in Schools course in 2015 and would like to continue your enrolment in the same VET in Schools program, please see your school’s VET Coordinator and complete a Central VET in Schools Continuing Student Enrolment Form (2016CS1).

Dateline for application to study in a Central VET in Schools course for 2016 is from 3 August 2015 – 28 August 2015.

Please ensure that all forms and supporting information/documentation are completed, signed and returned to your school’s VET Coordinator before 28 August 2015.

You and your school’s VET Coordinator will be notified of the outcome of the application.

Kind Regards,

Central’s VET in Schools Team
