### Expressions of interest for VET programs offered externally (only VET/General/Foundation students can apply)

There are opportunities for students to apply for training programs that are offered by different TAFEs. These programs range from Certificates (up to Cert IV level) that are not offered by Greenwood College, Pre Apprenticeships and School Based Traineeships. These require one or two days out of school. **All students who select an external TAFE VET program will be interviewed by Greg Bowdell (Manager of VET) to determine the most appropriate program for the student.**

Please note entry into these VET programs is competitive and application forms must be completed before the cut-off dates. The full range of TAFE VET External courses will be emailed to Year Ten students and can also be viewed on the school website.

Indicate below if would like to be considered for a TAFE VET external program

<b>Yes I would like to be considered for a TAFE VET External Program</b>	<b>Please tick</b> ✓	<b>VET External Course</b>
--	----------------------	----------------------------

**As VET programs are continually being developed there will be more opportunities being offered for 2016 and these will be advertised.**

## Intended Pathways

### ATAR

- Students who have been recommended to do an ATAR Course, to be eligible for direct entry to university, must select a minimum of four (4) ATAR scoring subjects (see below).

### VET GENERAL/FOUNDATION

- Students who have **achieved the OLNA in Literacy and Numeracy** can select a course that can be a combination of ATAR or VET General (which includes VET Certificate courses)
- Students who have **not achieved either OLNA Literacy or OLNA Numeracy** can select a course from VET General or Foundation where it is most appropriate.
- Students who have **not achieved both OLNA Literacy and OLNA Numeracy** will be offered a course that gives extra support with their literacy and numeracy needs.
