

APPLICATION DANCE ELITE PROGRAM

Greenwood College is proud to offer a school-based Elite Dance Program.

The Greenwood College Dance Program has a long and celebrated history of developing talented performers who have proudly represented the College and Western Australia in state and national competitions. Performances, workshops and competitions are an integral part of the Dance program. All students enrolled in Dance will participate in these experiences, facilitated by highly qualified, specialist dance teachers and professional dancers.

For students enrolling into Year 7 there will be 2 strands within the program; an Elite (extension) stream and a general stream. The extension program will provide students with the opportunity to develop their prior dance knowledge, performance and choreographic skills preparing them for entry into the Elite Dance program in years 9 and 10.

- Successful applicants will be required to participate fully in the program including out of school hours' activities such as rehearsals, performances and competitions.
- There is a requirement that students who enter the Dance Elite Program will commit to the program until the end of Year 8 and, if accepted, continue onto the Elite Program in Years 9 and 10.
