

CONTRIBUTIONS & CHARGES INFORMATION 2024

Please find enclosed details regarding your child's 2024 Contributions and Charges, Personal Items Lists and important information regarding:

- Contributions and Charges explained
- Payment Methods
- Payment Plans and Collection of Contributions and Charges
- Change of Details
- Claiming financial assistance (SAS)
- Uniform Shop
- 2024 proposed excursions and costs

Contributions and Charges Statements:

The State Government through the Department of Education, provides placement at educational facilities for all students who choose to attend Government schools. The Department also pays for the wages of all teaching and non-teaching positions plus costs such as repairs, maintenance and utilities. The Government does not provide for many goods and services which students use and it is reasonable for parents to meet these costs.

Financial support provided by parents has always played a significant role in enhancing Government schools' capacity to add value to students' learning experiences. Families are advised by December each year as to the maximum costs that could be applied for the following year.

Revenue collected from your Voluntary Contributions is used to cover expenses in lower school compulsory learning areas and some elective subjects. For example, items that are subsidised by the Voluntary Contributions include textbooks, physical education equipment, technology consumables, science chemicals and photocopied materials.

Elective subjects (for example Photography, Food Production, Outdoor Education, Woodwork and Metalwork etc) attract compulsory charges for the high cost of materials and activities offered.

Specialist Programs (such as Aviation and Volleyball) also attract higher compulsory charges due to the expectations and requirements of the programs.

International Fee-paying students are charged by the College for local fees (contributions and charges), optional costs and SCSA Enrolment Fees.

Your individual Contributions and Charges statement will be issued once subject selections are finalised, statements will detail the below charges, voluntary contributions and VARS payable.

Charges are compulsory costs for high-cost elective subjects in lower school Years 7 to 10 and all course costs in upper school Years 11 and 12 as advised in the Curriculum Handbooks issued earlier in the year.

Parents of students who choose the higher charge option subjects need to consider the costs during the subject selection process. The College may also request a 50% or full confirmation charge payable before the start of the academic year.

Voluntary contributions cover the cost of textbook hire and materials used in non-elective courses of study in Years 7 to 10.

Other approved voluntary contributions (VARs) are used to subsidise essential school services such as the Library, Student Services, swimming pool, two school buses, P & C Association and ICT.

Set out below is an explanation of the Approved and Voluntary Requests which appear on your child's Voluntary Contributions and Charges Statements.

Technology	\$60.00	<i>This request assists Greenwood College with replacement of over 600 computers and ICT equipment for student access across all subject areas.</i>
Student Health and Wellbeing Initiatives	\$35.00	<i>This VAR contributes to the implementation and running of important student health and wellbeing programs co-ordinated by Student Services such as Anti-Bullying (Zero to Hero), Tomorrow Man, DrumBeat, Rock and Water, Friendship Room and Breakfast Club.</i>
Library	\$27.00	<i>Revenue collected enables the library to purchase additional resources for the library.</i>
Bus	\$20.00	<i>Greenwood College has three school buses, which are used to transport students to school excursions, camps, sporting events, etc. Contributions are allocated to our bus replacement reserve.</i>
Pool	\$24.00	<i>Greenwood College has a 25m outdoor swimming pool and is used in physical education classes, as well as for whole school events. Contributions collected are allocated to our pool equipment replacement reserve.</i>
P&C – paid once per family	\$30.00	<i>The P&C Voluntary Parent Contribution per family is to avoid the need for all families to participate in fundraising activities throughout the year. Funds raised for the P&C are spent to benefit all students.</i>

Extra Proposed Excursions And Other Optional Costs By Year Group

Extra cost options (costs) are applied for optional activities such as the Yearbook, excursions, after school activities, competitions, camps and work experience etc and are only incurred should your child participate in the activity. **Payment for these items is required prior to your child participating.**

Refunds for these charges are not available once payment has been made.

It is strongly encouraged and recommended that all families consider Ambulance Cover for their child as the Department of Education does not have personal accident or ambulance service cover for students.

2024 School Photos will be held in Term 2. Families can order photos and pay online directly through the photographer once order forms have been distributed.

Replacement Smart Riders are available at Admin for a \$5 charge.

BYOD:

Bring Your Own Device (BYOD) refers to students bringing a personally owned device (laptop) to school for the purpose of learning. In 2024 the BYOD program will be offered to Year 7, 8, 11 and 12 students. Further information regarding specifications and policies has been distributed separately to families, and are available on our website.

Payment Methods:

Wherever possible we utilise available technology to facilitate payment to the school and provide flexible and easy options to families.

Our preferred methods are:

- BPoint (via Consent2go app or link on website)
- EFTPOS or Credit Card (in person or by phone)

Payment Plans:

A Payment Plan can be arranged for families that wish to make regular instalment payments over the calendar year to clear their contributions and charges. Please contact the Manager Corporate Services for further information:

Greenwood.col@education.wa.edu.au.

Collecting contributions and charges:

The school will take a positive approach to collecting contributions from parents of students in Years 7 to 10. In particular, the school will highlight the benefits to students if all parents meet their contributions.

With respect to charges for Year 7 to 12, the school will actively seek full payment of charges. The following steps will be taken:

- Regular account statements sent home to parents.
- Parents who fail to engage in communication with the school and have made no attempt to pay charges will be referred to our debt collection agency as permitted in the regulations.
- Students whose family has a history of non-payment may be refused enrolment in high cost subjects (for example, Outdoor Education).
- High cost and specialist subjects may require a full or 50% confirmation charge paid prior to enrolment.

Change of Details:

All efforts are made by the College to give regular updates on balances due. To enable us to get these to you please contact Greenwood College if you have a change of address/email/contact numbers. Your assistance is greatly appreciated in supplying up to date details in writing.

Consent 2 Go:

We are offering our families Consent2Go, a digital solution that easily enables you to keep your child's health records accurate and provide consent for school events, excursions and camps in a secure and timely manner.

Parents/carers will receive a personalised email inviting you to complete a profile update for your child/children. We request that both parents/carers follow the instructions in the email to update their contact information and their child/children's information to ensure accuracy to support us in the care of your child.

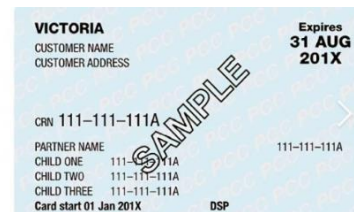

Financial Assistance is available for parents who hold the following:

Department Human Services (Centrelink) Health Care Card

Department Human Services (Centrelink) Pensioner Card

Veterans' Affairs Pensioner Concession (Blue) Card

\$235.00 Secondary Assistance towards Contributions and Charges

\$115.00 Secondary Assistance towards school uniforms

\$79.00 Abstudy Supplement Allowance

The relevant card must be valid during Term 1: 31 JANUARY to 28 MARCH 2024

Applications close 28 March 2024.

A claim can be made for each eligible enrolled student, by the card holder.

- Bring in the valid card to the administration office before 28 March 2024.
- The claim cannot be made on the child's individual health care card.
- The signature on the form must be that of the person who holds the card and is the caregiver for the child.
- The card must be presented at the time the application form is submitted in person.

Personal Items Lists:

Each student will require the right equipment and resources to successfully participate in classes during the year. To ensure your child is ready for class, we provide a Personal Items list for each year group.

Items can be purchased from any provider or, in the case of Year 11/12 textbooks, Champion Education.

Uniform Shop:

The Greenwood College uniform is available to purchase at **Tudor Uniform**

1/75 Excellence Drive, Wangara, WA 6065 or

Access their online web shop 24/7 online via Tudor's website.

More information regarding the College uniform is available on the College website.

DRESS CODE

ENDORSED BY THE COLLEGE BOARD AND IS TO BE STRICTLY ADHERED TO

SHIRTS: College school polo shirt.
